

Summer Employment at JCB - 2010

Summer student employment at the
University of Toronto Joint Centre for Bioethics

The CIHR grant, Canadian Program of Research on Ethics in a Pandemic (CanPREP) has several student opportunities available at the University of Toronto Joint Centre for Bioethics. Working with the CanPREP (www.canprep.ca) team, duties will include literature reviews, synthesis of research results and data.

Applications must be received by February 26 and should include:

1. a copy of your CV/resume
2. 2 letters of reference. Reference letters should be sent directly to Brenda Knowles, JCB Director, Administration & Operations **via email** brenda.knowles@utoronto.ca
3. a letter outlining your interests in bioethics and your summer availability

Interviews will be conducted in March/April, 2010.

Only candidates chosen for interviews will be contacted.
